Initiative Petition – Statewide Measure

State of Nevada

DESCRIPTION OF EFFECT

The Nevada Gaming Commission collects a monthly fee based on the licensee's monthly gross gaming revenue. Currently, for nonrestricted licensees, the maximum percentage collected is 6 ¾ percent of any monthly gross gaming revenue over \$134,000. This initiative would increase that percentage to 9 ¾ percent for any monthly gross gaming revenue over \$250,000. The fee increase proposed by this initiative would not affect gaming licensees whose monthly gross gaming revenue is less than \$250,000. The initiative would not affect restricted licensees, *i.e.* those consisting of 15 or fewer slot machines. The initiative will increase the potential bond amount the Commission can require for licensure under NRS 463.225(2). The initiative may increase the amount of money that goes to augment stakes of pari-mutuel horse racing in counties with populations of under 100,000 under NRS 463.320(1)(c)-(d). The remaining revenue would be credited to the State General Fund. The initiative will go into effect on July 1, 2021 if enacted by the Legislature and approved by the Governor, or on November 22, 2022 if approved by voters in the 2022 general election.
